That becomes a talking point…as long as the support is mainly from constituents

Dear City Council Member Quinton Y. Zondervan,

I respectfully oppose the lack of transparency and unfair singling out of Israel in this City Council Vote.

I strongly support a two-state solution to the Israeli-Palestinian conflict, but I believe that singling Israel out in this way makes a two-state solution harder to achieve. Israelis feel besieged, and I think this resolution will only make them feel more so.

Sincerely,

David Lobron, Newton
